MISSION STATEMENT:

"The purpose of the VIPERS FC is: "To promote and present the concept of teamwork, pride, loyalty, honesty, courage and sportsmanship to all members of our community so that they may become finer, stronger, healthier and happier, with a focus on youth development, who may reflect credit upon themselves, their families and their communities.

We, with the support of all our members and sponsors, aim to be a competitive and successful club in the most elite level of competition. "

CLUB HISTORY & BACKGROUND:

Vipers FC are a very proud and professional soccer club, based at St Clair Oval in Woodville SA. The club in 2012 is in its 6th year and in that time we have had hundreds of different people use our training facilities, come along to our training sessions or play for one of our 4 amateur league soccer teams. The club also has very strong links to the local community and we boast over 100 members, friends and family.

We are very proud of our achievements and the hard work of a lot of people connected with the club, which has led to our on-field and off-field success. From our humble beginning in 2007, fielding only a single senior team, to this year 2012, were we are fielding four senior teams and several new junior teams, due to our large membership and popularity of the club. Our senior teams play in Saturday SAASL competition and include 2 teams in division 2, a C grade and an over 35's team. Our junior teams play in the FFSA competition and include under 12's, under 10's, under 9's and a junior development academy, with a view to further expand our junior ranks in 2013 and beyond.

If you or your child would like further information on the Vipers soccer club or would like to come out and participate in the active sport of soccer, then please call one of our committee members listed below, or you can visit our website: www.adelaidevipers.com
